

CFM Nominating Committee Report
To
CFM Business Meeting
2nd Month 2021

Concord Friends Meeting Nominating Committee met in late January via Zoom. We started the meeting with silent worship and gratitude for the work of meeting members and attenders.

The committee uses an Excel spreadsheet to support the process of creating a final presentation of nominations for leadership roles and committee members to the May 2021 business meeting.

Emails and phone calls to members and attenders will take place this month and the committee will meet again February 27th.
